## Blacks Fasteners Reward Programme Terms & Conditions

### 1.0 Participation in the Programme

Blacks Fasteners selected customers are eligible to participate in the Blacks Fasteners Reward Programme. Any Customers who belong to a bulk buying group are ineligible for Blacks Fasteners Rewards.

### 2.0 Allocation of Points

Reward points will be allocated each month based on your purchases from Blacks Fasteners. Points are allocated in arrears as there is a requirement that the invoice is paid before points are allocated for that transaction. There is a direct relationship between purchase volume and number of points allocated which means the more you purchase the greater the points you can earn. There is no cap on points allocation.

- a. Points are only allocated once invoice has been paid. Invoice must be paid by 25th of month following date of invoice to be eligible. Payment must be made by direct credit, cash, or cheque. If payment is made by cheque it must be posted to the Accounts Department at head office, PO Box 7229, Sydenham, Christchurch 8240, and timed to arrive on or before the 25th of month following.
- b. Account payments made by credit card are not eligible for points accrual.
- c. Customers must receive their invoices either with their goods or by email.
- d. If customers are not paying the account balance in full or are paying part payments they must contact the Accounts Department before the 25th to advise which invoices are being paid.
- e. One NZ dollar = 1 reward point.

Any dispute over point allocations should be directed to Blacks Fasteners in the first instance.

### 3.0 Points Expiry

Points earned through the programme expire 24 months from the date of allocation. Points that are not used before the expiry date will be forfeit.

### 4.0 Redemption

The redemption service is provided by a reward fulfillment company. Points accrued may be redeemed by choosing a reward currently available and published on the Blacks Rewards Programme website using the shopping cart facility on the website.
