Great gear you should take a closer look at!

## SEPTEMBER/OCTOBER PROMOTION\*

**Great deals on top quality stainless steel decking screws**

**FREE**

drill csk bit when you buy 1500 or more decking screws (excludes trim head) or bugle screws

### Self Drilling 304 stainless decking screws

**PROMO PRICE**

5.5x50 = \$0.25

5.5x60 = \$0.26

+Gst

- Used for variety of applications including hardwood decking of 90mm -140mm wide
- Drill tip ensures timber can be attached without pre-drilling#
- The head can be sunk very easily and very cleanly due to small diameter

- No chips or bur is left when countersinking thanks to the mill head
- Grooved shaft provides extra strength to the screw to prevent the screw tearing off
- Torx 20 drive ensures secure bit grip

### Bugle Type 304 stainless decking screws

**PROMO PRICE**

12gx65 = \$0.26

+Gst

- Used for variety of applications including hardwood decking of 90mm -140mm wide
- Bugle head with ribs for undercutting

- Torx 30 drive ensures secure bit grip
- Extended thread on the screw point enables quick grab

### Trim Head 304 stainless decking screws

**PROMO PRICE**

5x50 = \$ 0.21

5x60 = \$ 0.22

+Gst

- Used for variety of applications including hardwood decking of 90mm -140mm wide
- Self countering trim head for refined finish
- Torx 20 drive ensures secure bit grip

- Precision placement point allows screwing in without pre-drilling the wood#
- Fixing thread permanently attaches the cover board and minimises creaking

\*Offer ends OCTOBER 31st 2018, while stocks last. # We recommend pre-drilling for hardwood decking
